Sept. 17 1894

Dear General Pitt Rivers

Thank you  
for your letter & enclosure

The death of my  
Partner & life long  
Friend James Raulson  
on Saturday afternoon

has permitted us  
dealing with this as  
another business today  
But no time shall  
be lost in placing  
the matter before Lord  
Pembroke who is I fear  
in ~~the~~ rather a critical  
condition.

Respectfully  
Dear friend Pitt Rivers  
Yours sincerely  
Ernest T. Squire

To Genl. Pitt Rivers  
Rushmore
