

(1059)

St Marlow
Bucks

Sept 23. 94

Dear Gen. Pitt Rivers

I sent you a telegram yesterday, in reply to yours; & I hope to hear from you in the course of another day, or two, of the safe arrival of the tapestry. It being rather a bulky package, I thought it ~~best~~ to send it by Goods train, & I daresay with its many changes of truck, it would take some days to accomplish the journey:

Yours very truly

Alfred H. Lockes.
