

in fortnight & we made
considerable progress - but
there yet remains work to be
done & we hope to resume
it next winter tide, towards
which we shall have a nice
little balance left.

In today afternoon there is an
account of our work from my
pen.

Very truly

Dear General Pitt Rivers

Thank you so much
for the £2 cheque for
Watton Excavations. I am
sending it on ^{to} the Hon. Treas.
& you will receive an official
receipt
owing to the difficulty of getting
labour at harvest time & other
causes we could not manage
a whole week's work - last week
Hoxer I had 25 navvies under
