Sir

I have been told
that you have published
an account of the opening
of a "Long Barrow", &
therefore beg to ask if
you could please
to spare me a copy,
or inform me in
which publication it
is to be found, and
I shall feel greatly
obliged
I also take the

liberty of enclosing
you an account
of the opening of a
round barrow
near Sledmere

Yours very obt. servant
