Dear Sir,

31, Warrington Crescent,
Maida Vale, W.

I ventured to trouble
you early in May? with a few
lines in re a most interesting
ancient British bury place
near Cape Cornwall 3/4
mile from S. Just and 7 miles
from Penzance - Sir John
Lubbock told me that you
would like to see it & would
probably be willing to help
in its preservation. Is there
any chance of your being
in Cornwall (Camborne)
before
