Dear General Pitt-Rivers,

I am much obliged to
you for introducing my son to
Sir A. W. Franks, - and hope
if he succeeds in gaining the
the appointment he will be
able to do some good work;
- it is certainly a subject

of the greatest interest, - and
will coincide with my son's
studies.

Thank you for your
kind present of the Guide
to the Larmer Grounds,
Rushmore, and King John's
House, - it is an excellent
one, and the photographs
are very pleasing. I

was much interested to read
in the Spectator of a few
weeks ago the appreciative
description of your successful
efforts to interest and
educate the people in
the antiquities of your
neighbourhood.

With my kind regards
