

You will see I advise
your son as to what
you would wish done
& he will then call
here or communicate
with me again.

Dear Sir,

Mr. Lionel Fox Pitt
has consulted me about
his health, upon the
recommendation of Dr.
Maclagan.

I find that he is
suffering from a stricture
of the urethra.

General Pitt-Rivers.

I recommend for this
a simple & very safe,
but delicate & important
internal operation.

For this it is necessary
that he should lodge
near me for some
period less than a
fortnight.

He can have a
good room & all
necessary attendance &
food at 6 Bentinck St.

I write to you by
his wish, and when
you have received this
letter from me, perhaps
