

L1110

15. LOMBARD STREET. E.C.

22 Nov 94

My dear General

I have signed the
paper with you & to
Evans. We shall meet
on Saturday at the British

My Mammalites created
quite a little excitement
amongst the Swiss Geologists.

I hope you are all

well. Alice is not so
strong as I could wish, but
she will have a good
time till I was, & I hope
it may set her up.

Yours very sincerely
John Lubbock
