Dear Sir,

I Gough was
in my employ for 18 months.
I found that he drove
and knew London well.
The horses under him
were well looked
after & I found him
to be a very hard working
man - He is sober.

and honest - He
left me because
I wanted a man
of more experience
to look after my hunters,
also a man who
could ride schooling
with me -

I think that Gough
~~is~~ is a good servant.

Yr. Truly
