My dear Pitt Rivers

Many thanks for your
note. I have been told by
some of the Council that
the London & Middlesex are
quite solvent - however I
purpose attending the meeting
of the Council tomorrow morning
at 5. & will ascertain for
certain the financial status.

I too am very sorry that
I can't leave London to visit
you on the 13th - 15th Aug: as
I am booked at Temple Bar
until the middle of October
well is a great bore for me,
I however come down here,
on Saturdays to stay with
Mr. Price - the air has already
done her good. I should
greatly enjoy staying with you
if a Rushmore could I only
manage it.

With best regards
Yrs very sincerely
H. Belton
