Powis Castle,
Welshpool.

29th Dec. 94.

My dear Father

Powis says he would
be delighted to give you
permission to dig up
offa's dyke as long
as you leave it naturally
as you found it - This I
told him was your custom.
He & Violet were there

When you come you will
put up with them here.

Pewis says there will
be no difficulty about
a tenant. I suppose he
forms some land there
tho. the other runs.

We had a Capital
run into the Bowdell
Grounds yesterday near

run. Both being
sent with of a season
your affec^d son
