My dear General Pitt Rivers

Last year you were
good enough to lend us
for our Theatricals a
Curtain & Camps. Will
you be good enough to
do the same for the
entertainment this evening?

I am sending my
man with the cart
so that if you will
allow us to have them
he will bring them
with him. I shld have
run over myself to make
this request but have
friends staying in the
house - Mr Hasluck is

away - & therefore
cannot leave them.

Believe me

Very v

Ernest E. Hasluck.
