

To landowners, I hope you will see it
but it may not appear for a month
or even two. Please remember me to

My dear General.

Thank you for your
letter & photograph. If the things you
want are to be got in Egypt, I don't
say I shall come across them. Any-
how, I will do my best.

In about three weeks I shall be enjoy-
ing the warmth of the Red Sea: a slight
difference from this climate.
