THE AVENUE, July 27th
70 FULHAM ROAD, S.W. 1883

Dear General Pitt Rivers

If you will kindly give
orders to have the marble
best carefully packed &
sent up - I will take
care to remove every
trace of illness & I do not
think that the plaster is
different to the marble

I suppose that I very
sharp & insuitable
light - may contribute
a great deal to the
appearance you so forcibly
describe

Your faithful servant
