Dear Genl. Rivers,

My boy tells me
that you are desirous of
examining the old
Clebury ring on my
Indrusty. Would you
like to come here and

and have a look at it
before deciding to excavate.

If so, we should be
very glad to put you up,
and you could then
make an examination
of it, as it is at no great

distance from the
Castle.

I am yr. very faithfully

Radnor

P.S. Will you propose
yourself at any time when
you think the weather
suitable
