THE CHANTRY
BRADFORD DONAVON

Feb 14 95

Dear General

I am sorry I
have not the paper
in English - I
sent the M.S to
Fopinaud, & he
got it translated -

You will see I
have derived much

help from your material.

I am not sure
whether I ever wrote,
as I should have
done, to thank you
for the little book
about the Larmer
ground, &c.

I am glad you
don't attempt any
thing in the cold
weather - People

like you & me, whose
livers don't function
properly, can't keep
up their animal heat
properly out of doors
in winter -

Yours sincerely
John Beddoe
