Dear Gen. Rivers,

I shall be very
grateful to you for your
book on the excavations
in Cranborne Chase, which
will be a valuable addition
to my library. I notice

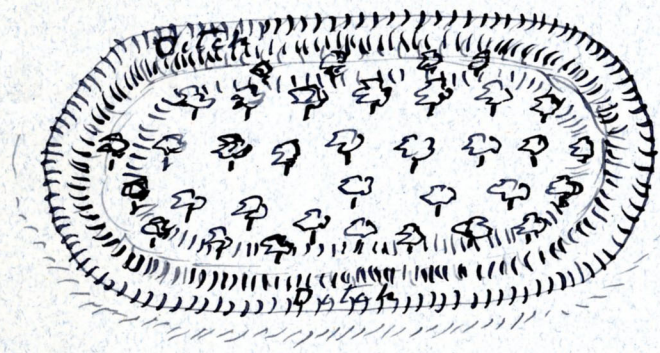

I am afraid I could not
have disturbed; as from
the situation being very
exposed, it would be
impossible to replace them

Will you let me know
when you wish to come here
and believe me I'm very truly

Radnor

in your letter received today
you mention "That square
"Earthworks hitherto supposed
to be Roman &c" - I don't
know whether you think
That Clebury camp is
square. but I may tell
you that it is not so.

but is oval somewhat
in this shape. with a

well defined ditch round
it. The centre being covered
with trees at present which
