Dear Sir

I am arranging a
Meeting for Lord Folkestone
in the Schoolroom Folkestone
Royal on Friday next
at half past seven -

Would it be possible for
you to take chair it would
be a very great kindness

if you would beside which you
doing so would assist Lord
Folkestone politically enormously.

I am sorry I can only give
you such short notice but
I only heard late this afternoon
that Lord Folkestone had been
paired - If not troubling you
very much would you kindly
telegraph to me tomorrow morning
as I must see the Notice printed.
Yours very truly

Wm Hamnick
