My dear Father

I have just seen  
Walker at his office. he  
says that you could get a  
Lees painter to paint the  
Surgery Stand very cheaply  
he thinks that if it was  
painted on Canvas &  
glued on to the wood it  
would last much longer.  
I he thinks that a garden

Scum of clipped yew  
would look better than  
pillars -
