Dear General Pitt Rivers,

In case you overlooked
the date - Monday next April
1st - is the last day for
sending into the R.A. &
naturally unless I hear from
you in reply to my last letter
& have your authority for
sending in your sons portrait

I shall retain it -

I am not writing because
I am anxious for it to go
in - because in the whole
I should prefer not, but
because Mrs Rivers & your
son seem eager about it &
you might like it to go

Believe me your very truly

Wm S. Beaumont
