I hope you are keeping
well, & that Mr. Stone
is recovering satisfactorily

Believe me

Yrs Sincerely

Dear General.

I found a Supplement
in the magazine
called the Album
which I thought

as your friends
the Gibb & the Galt

are represented - I
came here from Brighton
& stay here till the 16th
& hope to get into Hensley
Park on the 19th - I shall
be & glad to be settled
there - Can you tell me

large brown patches &
rather a large kind -

four horns  two upright
& two curling horns -

at all wild - He is quite
happy in his cage, which
is a very large one, but
I rather despair of
taming him - I suppose
