Dear General Pitt Rivers
My friend Major
Pegge is in possession
of the MSS. of the
The King's Household
as well as to make
your acquaintance,

I will endeavor
on Saturday next. I
will write to ask if you
bring him over to Rushmore
on the afternoon of Sunday
& if he can go on to
the Museum afterwards.
He has projects in Illinois
& via S. P. & County Amalgam
of the great interest in
Archaeological matters.

Believe me
Yours truly,
Thos. F. Spaulding
