Sir

Please pardon the liberty
I am taking in writing to you.
but my object is to ask if
you are in want of a good
trustworthy, competent man
to look after any part of
your estate.

I am a Carpenter & Joiner
by trade and for many
years been used to House

and Estate work.

I thoroughly understand building in all its branches, the working of plans, and the management of timber.

I have had the working management of an Estate here for the last 4 years but am leaving as the climate do not agree with me.

Should you have a vacancy for such a man, and will give me a trial, I will do my utmost to give you satisfaction in every respect.

I well know Rushmore and the neighbourhood being a native of, and lived for many years at Handley where I have a Brother and Sisters living now and my Nephew live at the Museum Hotel at Farnham.

Hoping you will be able to find a situation for me

I am Sir

Yours Obediently
George White
