May 2 1895

L 1263

Sir

In connection with my little collection of Roman ~~and~~ antiquities which I had the honour of showing to you last summer, I take the liberty of writing to ask if you would now allow me to pack them & forward to you so that the best may be engraved & an account published, as you then proposed.

Yours respectfully,

James Ralls.

Genl A. Pitt-Rivers

Rushmore.
