Dear General,
The Library Com-
mittee tell me that they
will feel greatly indebted
to you if you will be so
good as to present to the Library
a copy of your archaeolog-
ical work. I can answer
for it that it will be
appreciated by a great
many.

I took leave with great
pleasure being visit to
Rushmore, & feel grateful
to you for your kind help

I am working hard now
at the Essay on Chivalry
drawings, & I find that
the facts I get from you
prove to be very useful.
I shall not forget to
send you a copy of my
paper when it is
published.

Yours very truly,
James Sully
