General Pitt Rivers  
Rushmore,

Dear Sir,

If you will  
send the selected photos  
to me at the above  
address, I will write  
particulars about them,  
and return to you.

Kindly send the unselected  
ones to my mother.

I am glad you  
found my salient  
description of curios

of some value.

There were a few photos  
of Australian aborigines  
which I took on Niwira  
Islands, but I cannot tell  
if these are among the  
ones you have selected.  
till they come. I know  
them all so well that  
there can be no mistake  
about locality.

With many thanks

I remain

Yours truly

E. B. Savage
