My dear Pitt Rivers,

I was very sorry to miss  
seeing you on Thursday. I  
came in they tell me just  
3 minutes after you left.  
I would have called to see  
you next day, but I was  
then informed you were  
leaving town, so imagining  
you might be going to Rushmore  
I send you this line.

My aunt said something

About pottery & your form  
ing a new museum —  
I have determined to part  
with all my London Antiq.  
as I shall not keep so  
many collections — they  
take up too much space.

It consists of a considerable  
quantity of pottery, glass,  
iron, bronze & tobacco  
pipes — also some very  
fine spec<sup>ies</sup> of Peruvian  
Pottery.

I am now going into the  
Country for a holiday —  
In a fortnight's time I expect  
to be with you well at  
Durham.

With best regards to Mr.  
Pitt Rivers myself  
I am

Yrs. as usual  
H. Pitt Rivers
