Dear Sir

At a Gent. Meeting of  
the Land & Cover owners  
of the Blackmoor Vale Hunt  
I was asked to take the  
Mastership of the B.V. Hounds  
which I agreed to do if the  
wish was unanimous.

Meeting I venture to trouble  
you with this letter to ask  
you whether you will afford  
to me, as Master in  
the future, the same courtesies  
& rights you have hitherto  
granted to Sir Richard Glyn  
& whether I shall have  
your support, & leave

to hunt your property.

Yours affly
