Dear Sir

On behalf of my large party
of 77 Church workers of
all sorts & conditions,
beg to tender to you our
respectful & hearty thanks
for your generous liberal-
-ity not only in throwing
open the Larmer & King
Johns House grounds
& permitting us to visit
the Vicar, at Rushmore,
but also for providing for

CHRISTCHURCH HALLS,
SOUTHBOURNE ON SEA,
E. CAHILLER'S BARSONAGE.

giving

us such perfect appetizers
for refreshment. We all
enjoyed our dinner stea
in the "Hounds Quarter"
very much, & nothing could
have been nicer than
the way in which the
food was served by
your excellent caretaker
& the staff of assistants.
Remain tendering you

our sincere thanks
for giving us a very
enjoyable day outing.
Yours faithfully
