

Your last visit -

I have often felt the great advantage  
of being connected with your collection,  
I was perfectly astonished at its  
development in Oxford.

I hope you will forgive this  
most-unnecessary request but  
under the other circumstances should  
I think trouble you. I am of the opinion  
I should say my case is a great hardship  
after such long service -  
 Hoping you are well  
I am yours etc.

Unfortunately I am getting on  
towards the age of 65, because of  
this, but because I am unfit for  
work, the people here have told  
me it is time to be off.

I want a little more notice &  
to get <sup>the</sup> time extended that I may

Unfortunately the new Director has had  
little opportunity of knowing much  
about me or my work & I  
think it would be a great help  
if you could say a word in  
my favour in regard to the  
effect of some of the applications of  
just those <sup>respecting</sup> ~~regarding~~ productions in art,  
as evidenced by the screen of plain-apples
