WHATCOMBE,
BLANDFORD.
—AND TELEGRAPH—

My dear General Pitt Rivers
As I have not
seen you friendly for
you so long I should
like to drive over to
Bournemouth for a
couple of hours in
evening or at home
on Thursday or Friday
next. I want to hear
what you have been
doing this summer
at Bournemouth. I have
done nothing but almost
in my last days.

I remain
Yours very truly
H. Mansel-Pleydell
