Sir

May I be allowed to ask
your support in aid of the West
Bay Regatta which is to be held
(weather permitting) on August 22nd.

It is now about 16 years
since the last regatta here &
in the interests of West Bay as
a seaside resort, it has been
thought desirable to hold one this
year: a strong local committee
has been formed & they have
provisionally fixed upon the

programme enclosed provided
sufficient funds can be raised
to carry it through: some, if
not all, of the races would be
open to West Dorset & I hope
that you will feel that the
regatta is worthy of your support.

I might add that Edw. Marshall
Dorsetshire Bank Bridport is acting
as treasurer & any subscription
you may be good enough to send
will be promptly acknowledged by
him or by

yours respectfully
Edw. S. Reynolds.

Gen. Pitt-Rivers.
