My dear Sir

Many thanks for the drawing of the knife, which gives an excellent idea of the work. I should like however to make a greatly enlarged outline drawing of the handle, & shall do so unless you have any objection. It will be at your service if it should be of any use.

Dr J Anderson, F.R.S.,  
71 Harrington Gardens S.W.  
is the address.

Yours sincerely

Wm. Flinders Petrie.
