My dear General

Would you like to
Come over & see what fixtures
you would like to take
over from us in the way
of blinds, fenders,
curtain rods, picture
rods &c - We had the
blinds all put up when
we came & as they were
made to fit - I suppose
as good as new

You would like to have
them - I just whether
you are a Conservative,
I hope you are - & that
you rejoice at Rosebery's
downfall —

The picture rods we also
put up & fitted - Then there
are some carpets to fit some
of the rooms -

I was told today they
are getting up a testimonial
to my uncle Plydell,
but why limit it
to 5/6? — with
my very kind regards
to Mrs Pitt Rivers
& yourself
I remain
Yours sincerely
G. Haussel.
