Dearest Papa

I have bought you
a Bern costume and
it is sent off by post
today or tomorrow all except
the chains which I have
got with me. The costume
cost 100 frs and the
chain 26 frs. so I have
spent 30 frs over the ten
pounds you sent me I
can not find an other
anvil here the only use

General Pitt Rivers

the same as in England
stone thing you rub up
and down on the scythe
Willy saw your paper in
the Times when he went
into Lucerne I have only
seen the Daily News which
mentioned it but did not
say much. I hope you
will have fine weather
for the sports we have
had rain every day.

your affec. daughter
Isabella Scott.
