—AND TELEGRAPH—

My dear General Pitt Rivers

I am so glad you  
will be able to receive me  
on Friday & thank you for  
your kind wish for me to  
stay over Sunday. I  
shall be unable to do so  
Sunday is my busiest day  
of the week & the work is  
so special I am unable to  
pass it on to another.

I remain  
your most truly
