Dear Sir,

I hope you received safely
the box of Drab &c. I sent
you the 23rd Aug. - and shall
be glad to know what you
think of it - since then I
have found 2 more pieces of
Drab - one with impress of
2 cross pieces of wood

We are now preparing these
'finds' for the Chingford Museum
So shall be glad if you will
return the pieces at your
convenience - and with thanks
for your trouble in the matter

I remain

Faithfully yours

Walter Cronch
