My dear Sir,

Your name has been
mentioned to me at the
Linnean Society Library as
of one who would perhaps
assist me as to references
on the subject of symbolic
messages. I therefore in-
clude myself upon you
explaining that I had
some symbolic messages

for kind to use in Western
Africa or which I want to
write a Paper for the Anthro-
-pological, and if you could
assist me in the matter
of the mention of any other
reference that may bear
on the subject I would be
highly obliged.

I fancy there is little
written and there are none
such specimens as I have
in the British Museum.

Apologizing for this
troubling

They remain
very Dear Sir
Yours very truly
