My dear General Pitt Rivers

I am sending you by
today's post a few annotated
notes for Exhibition next
week at the Larmer. I
could not manage Cardinal
Morton's Prayer Cushion with
Moses in the bulwark, the
depressing Mother o' Sluts
Pruney, embowered upon it
~~but~~! but the things send
with interest the paper by.
Campbell's "Trinkets in his Work
on the 'Hotties' & Parochial
descriptions was given to Parsons
II. & The new King who knew"

not worth" & prepared the
Israelites. I hope to send you
a book by Kettlemen which
gives the account of Peter
at the High Priests palace
which you were interested
in when I was with you.
Please give my very kind
regards to Mrs Pitt Rivers

& believe me
Ever yours very sincerely
J. C. Mansel-Pleydell
