Dear General Pitt-Rivers

I have applied for  
the Secretaryship of the St Stephens  
Club Westminster & have been so far  
successful, on my testimonials  
as to be one of those selected by  
the subcommittee to appear before  
the Committee for final selection  
in October. It is a conservative  
Club I know, but you might know

Some one on the Committee (a  
list of whose names I enclose)

If you should know any of  
them and would be kind enough  
to ask them to use their <sup>influence</sup> ~~interest~~

in my behalf I should be very  
grateful. Apologizing for troubling  
you & with kind regards to Mrs

Pitt Rivers

Yours truly

Alfred W. Jordan.
