My dear Sir.

I am much obliged to
you for your kind & explicit letter
with the guide-book enclosed &
also for your kind invitation to
come for breakfast which my wife
& I will have much pleasure in
accepting.

We have decided after reading your
letter to go straight to Ashbury on
Sunday afternoon & stay there

I Tuesday night at the Hotel
there. We only proposed staying
at Salisbury for lack of knowledge
of nearer accommodation
We shall in this way be able to
get a first view of the Museum
on Tuesday morning after which
we will drive over to Rushmore
reaching it, say, at about 12 o'clock.

Believe me

Very faithfully

W. Allen Sturge.
