WHATCOMBE,  
BLANDFORD.  
—AND TELEGRAPH—

My dear General Pitt Rivers

I am sending you all  
the relics from Combe Ditch a  
more disappointing lot than  
can be conceived. With the  
exception of the 62-bone the  
pieces lay in the narrow old-  
surface-bed. I shall examine  
the Ditch further & I trust  
Colonel & if I see any appearance  
of occupation I will try very  
much there. I hope in a few  
days to send you the loan &  
some of the best specimens of  
pottery from the English Hill  
which you so kindly promised
