To Gen Pitt Rivers

Dear Sir I am very sorry indeed re Cheque  
 for Game and I beg to apologise  
 for having given you unnecessary trouble.  
 Until your Game Keeper called today I did  
 not know but what it had been duly paid  
 the good enough to pay it into your bank  
 again and it shall be met. I am  
 quite aware that this should have been paid  
 long ago but through serious losses in  
 connection with a Brother and then having  
 to purchase the business I was crippled  
 financially for a time but which I hope now  
 I have overcome. And should you see fit  
 to send me your Game as usual I will  
 endeavour to keep my payments promptly  
 please accept my sincere thanks for  
 your kindness in waiting so long  
 and believe me to remain

yours truly  
 Chad. Best
