MARKET PLACE, BLANDFORD.

Sept 28 1895

To General Pitt Rivers

Sir

The Blandford Town Band Committee, intend holding an afternoon Fete, on Thursday next, in the Recreation Ground. The whole of the proceeds will be devoted towards purchasing Uniform for the members of the Band. It was thought the evening might be prolonged if some portion of the grounds were illuminated, and at the same time prove an attraction. I therefore ask if you would kindly ^{lend} us say 5 or 600. of your lamps, and some of your Chinese lanterns.

I need hardly say that if you would so oblige us not only the Committee, but the Band members would feel very grateful, and may I ask for an early reply!

I am Sir, Yours Obedly
T. Nesbitt
