Nov<sup>r</sup> 22<sup>nd</sup>.

Dear Sir.

Knowing the deep interest  
you take in anything be-  
longing to Cranbourne Chase  
perhaps you would like  
to purchase the following  
which <sup>are the</sup> property of my  
Father. He used to occu-  
py Woodcote Farm

but now lives at the  
Frary, Winchester,  
where the articles can  
be seen, if you care  
sufficiently for them  
for your Museum -

I understand the Keeper's  
hat is rarely if ever  
to be seen - this is a very  
good one -

Believe me  
yrs. truly L. Perkes.

- 1 Chase-Keeper's hat - worn  
by Moses Wrixey -
- 2 Cutlass or ~~Dauger~~ with  
deer-skin belt - worn  
by Moses Wrixey -
- 3 A wire or noose used  
for catching deer in  
Cranbourne Chase -
- 4 End of weapon picked  
up near Mushmore House  
the morning after an  
engagement with Keepers  
& Poachers - <sup>where</sup> a Poacher is sup-  
posed to have been killed.
