Dear Sir

I had the pleasure
of seeing a finely fluted (& hauded)
Flint implement belonging to
you at present; at Mr.

Flinders Petrie's exhibition this
year. Mr. Petrie showed me
also a beautiful "plate" of it.

Will you tell me if this
is published yet? I want to
mention it at the Archaeological
Institute shortly - with some

notice of other implements.

If it is not published
perhaps you would kindly
send me a copy of the
plate if you cannot
spare one altogether
For

Yours faithfully
