Dec. 2 1895.

Dear General Pitt Rivers -

I am venturing to address
you informally, trusting that
you may not have forgotten
my visit to Rushmore, with
our mutual friends Sir Tubb
& Lady Baker not many years
since! - You will also remem-
ber most kindly looking us
^{here} those charming 'Fairweather'
portraits in 1881 - They live
to delightfully in our memory

hirc that we are most de-
sirous that Lord & Lady
Ligonier should grace our
walls again, & if you will
be so very good as to let the
well loving public see them
in our approaching Winter
Ex^h, we shall be greatly
oblighd - You will perhaps
remember that we bear the
trouble & expence in their
removal from, & return to
Rushmore, & insure them
from all risks - If you

will kindly let me know
(may I ask for a prompt reply?)
that you will present us this
favour, our Secretary will then
immediately communicate
with you officially on the
subject - With best compli-
ments to Mr Pitt Rivers &
yourself, believe me
Yours very truly.

J. Lubbock. Gosley.
