WHATCOMBE,
BLANDFORD.

Dear General Pitt Rivers

At a Committee
Meeting of the Corn
Museum - held yesterday
at Dorchester, I was
asked as Chairman to
request you to assist at
the formal opening of the
New Building on the 1st Jan
at 4. and to give a
short address at the
Evening Concert given after
wards. I have written to
Lord Shaftesbury to take the
Chair at the evening Meeting
and I think with his & your
help as well as two or three
more scientific persons to

WHATCOMBE

BEAUFORD

to launch the Museum
into life with hope of a
useful & successful
career.

When the Athenaeum
has received my letter in
Beverlyport N.H. I am
glad the Editor gave
me the opportunity of
amending the original.

Yours

Wm W. T. S.
