I have told Charles
and he to send you present clean copy of
the Survey. It is a small acknowledgment
of what I have stolen from you. I
presume never about the Kō'nis. Could

you not reviewed her in the North. Just? you
will find plenty of matter anthropology, ²¹¹⁰ ²⁵ &
her matter - Egypt the center, such a new
subject "By Orientals" all sort, very
Indian concerns all rotten. My hope I
see / The Academy) Sage is no longer true.
how is Long Stanley? Did
she go to Cambridge this season? we give
read of Maude's good work. What is

Henry doing in the literary line - I don't
know how he liked my corrections in the Life
of Cameron. I see Lord Dairie is not expected
home till the spring.
Had news from Phil Wood. Report that Cameron
is dead. I don't believe it but I fear he is
very sick. Did Hayes ever write to you
about the dagger, & I asked him? or did
you write to him? you will find description
