Your General Pitt Rivers

Thank you very
much for your letter
of the morning and
for so kind a promise
to assist at the Musical
Concert given on the 1st
and that they will
take the chair for the
opening - I rejoice you
will hope that you may
be able to select Mr
John of Blandford for
you Under Sheriff -

You very respectfully
I have been in
Stomach disorder, not
of at Brestmen but
as previous garden
when the clammy

I'm very sorry
It is promised the
disorder has not attended
with inquiries to any of
the inmates of either
house. Remains
Yours truly
